

COVID REGULATIONS

We will be adhering to the NSW COVID-19 restrictions and therefore the following conditions will apply:

- When training at the school grounds, there is **STRICTLY ONE** person allowed through the school gate with each dog or puppy to group classes until the COVID restrictions are lifted.
- Please keep a distance of 1.5 metres from other participants in any face to face group training sessions.
- Refrain from attending any classes if recently returned from overseas and you are self-isolating.
- If you are feeling unwell please refrain from attending the session altogether. You will always be able to attend a future class.
- Please practise a high level of hygiene at home and in the face to face group sessions by washing hands frequently with warm water and soap/sanitiser, cover your mouth and nose when coughing, and avoid touching your eyes, mouth & nose
- Bring your own chair to sit down during the face to face training sessions if you prefer.
- There will not be any toilet facilities available when training at the school grounds.
- All private consultations are to be held in an outdoor setting if possible.
- You must supply your own training equipment at all sessions.
